Our Camp Leader - Mr. Campbell

Dear Parents-

It's already March and the official start of spring is just around the corner, March 20th. There are so many activities going on here at Lincoln. Please support our Jog-a-thon as this is our only fundraiser of the year. We also have parent / teacher conferences and several musicals this month. Mark your calendars for some great family events in April as well. We have such great parent support of our activities and it is always appreciated. With so many events, I hope to see you around Camp Lincoln!

-Mr. Campbell

Character Counts!

CITIZENSHIP is our last pillar for Character Counts. Please talk about what it means to be a good citizen in our community. Some of the key ideas for citizenship are as follows:

DO YOUR SHARE: Be a good neighbor and a good citizen. Contribute to the needs of others. Volunteer to make things cleaner, safer, and better. Protect the environment. Speak up to make things better.

RESPECT AUTHORITY AND THE LAWS: Play by the rules. Follow the laws. Obey parents and teachers.

Parenting Tips: A few thoughts from the Love and Logic Parenting series.

"Kids who view their parents as both powerful and LOVING are far more likely to grow into respectful and responsible adults."

"It takes a great amount of LOVE to set limits and allow our kids to experience the consequences of their poor decisions."

"When we do this, they learn the following logic: Every choice I make has consequences. Life is better when I make good ones!"

Working together for our kids,
Mrs. Debban, Counselor at Lincoln

Please join us for **Science Night** at Lincoln on April 17th from 6:00-7:30. There will be lots of great science focused family activities for all to enjoy!
