Our Camp Leader – Mr. Campbell

Dear Parents-

Our year at Camp Lincoln is coming to an end. We would like to take this time to thank all the many volunteers who made the drive down to support learning and students at our temporary home. We could not do it without you. This is also a time to reflect on the many successful events we had this year like science night, our ice cream social, jog-a-thon boot camp, and My Fro Yo and Papa John's nights. Your participation has been greatly appreciated!

As we are ready to pack up and begin the trek back to Lincoln and turn over the campsite for Eastgate to enjoy, we leave with the feeling this has been a positive, camping experience. -Mr. Campbell

Kindergarten Registration

Registration packets are available in the office during school hours. Kindergarten registration day is **Wednesday, May 7th** from 2:30 - 4:00 in the Fruitland Cafeteria.

We will have a visitor from **Mid-Columbia Library** on Friday, June 6. This year's summer reading theme is based on Science: **Fizz! Boom! Read!** Students will have the opportunity to sign up for a Mid-Columbia Library Card if they do not already have one.

Citizenship Month

Caring and Citizenship are two of the six character traits that we promote at Lincoln. We are encouraging ALL, K-5th grade students, to do some kind of community service for their family, a neighbor, or any other community location.

For students to receive a Citizenship Certificate and pencil, they must do at least two hours of community service. For example: read stories to a younger child; visit a nursing home; recycle; help with additional household chores; make a card for someone who is sick; take care of a neighbor's pet; plant some flowers or a garden; or use one of your own creative ideas. Return the blue form to school by May 31, 2014. Remember a parent must sign the form for the child. Thanks for supporting this project with your child.
