

November Newsletter from "Camp" Lincoln

Important Reminders:

With the weather getting cooler, please make sure to dress your child appropriately. Be sure to label any coats or jackets with your child's name and room number. Check our lost and found periodically as it fills up with lost coats, jackets, and sweatshirts through the school year.

Our Camp Leader – Mr. Campbell

We have had an amazing first six weeks of school here at Camp Lincoln and I want to thank everyone for their support and hard work. As we enter the month of November, it looks like it is becoming a very busy month. By now you should have received your students' Mid Term Reports and conference scheduling information. It is the goal for each teacher on staff to conference with every parent, so please schedule your conference(s) as soon as possible. As we enter the fall season, please remember that with the days getting shorter and darker earlier, drive carefully, and watch for children and slowdown in designated school zones.

-Mr. Campbell

LEAP:

November 1st will be our first school spirit day. The theme will be camouflage attire or hunter orange and just a reminder for students that they may not paint their faces.

LEAP will be sponsoring several events this year. Be looking for information on a Jog-A-Thon, My FroYo night, Lincoln Papa John's pizza night, a Wendy's fundraiser, and a science night for families. Our organization would love your help in planning. Please attend one of our monthly meetings!

Be sure to look at our Lincoln website to see upcoming events and news from school as well as like our Facebook page "Lincoln Elementary-LEAP". We are still collecting Box Tops, Campbell's Soup Labels, empty Capri Sun pouches, and used printer cartridges. Your help is appreciated.

Please talk at home about what it means to be respectful at home and at school. -

Tip of the Month:

TEACHING A CHILD TO READ

Try reading books with chapters and talk about what is happening in the story. Encourage your child to make predictions about what will happen next, and connect characters or events to those in other books

Talk with your child about reading preferences that are beginning to develop. Ask whether she likes adventure stories, mysteries, science fiction, animal stories, or stories about other children. Encourage her to explain the reasons for preferences

Talk with your child about favorite authors and help him find additional books by those authors.

Take turns reading a story with your child. Don't interrupt to correct mistakes that do not change the meaning.

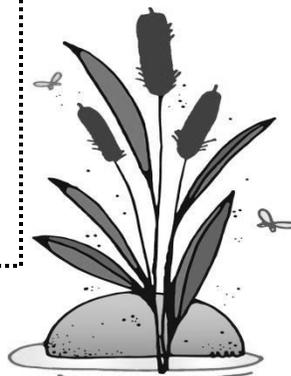

Some fun days to celebrate with your family in November:

- 11/2 - National Literacy Day - Read book together
- 11/3 - Sandwich Day
- 11/11- Veteran's Day - Thank a service member
- 11/13 - World Kindness Day complete a random act
