School Closure and Delay Notification

School closure or delay due to weather, road conditions, power outages, and other emergency situations are always a possibility. Stay updated with texts, emails, social media, local media, and online.

- **Website** - Check the district website: www.ksd.org
- **Text and Email Alerts** - [Sign up](#) for text and email notifications at www.flashalert.com
- **Facebook and Twitter** - Follow updates on [Facebook](#) or Twitter
- **Media** - Watch or listen to local television and radio stations.

Remember: If there is no mention on the district website or in the media of a school delay or closure, schools are running on time. Parents and guardians should always use their own discretion in determining whether to send children to school or pick them up early if they feel conditions in their particular area are not safe.

For more information about school closures and delays, go to www.ksd.org.
