

## **First Grade Power Standards**

Count, write and order numbers forward and backwards to 120. (1.1)

Count by 2's, 5's, and 10's to 100. (1.1)

Solve single-digit addition problems and related subtraction problems.  
(for example  $9 + 9 = 18$ ,  $18 - 9 = 9$ ) (1.2G)

Name the days of the week and the months of the year. Use a calendar to determine a day or month. (1.4F)

Identify coins (penny, nickel, dime, quarter) and name their value.

Tell time to the nearest hour and half-hour.

Problem solving is embedded throughout the power standards.
